

Retraction Notice

The paper "A complete simple proof of the Fermat's last conjecture" by Ikorong Anouk Gilbert Nemron which appeared in International Mathematical Forum, 7(2012) No. 20, 953-971 is essentially identical to the paper with the same title and by the same author which appeared in Journal of Mathematical and Computational Science, 2(2012) 317-338 and for this reason is retracted from International Mathematical Forum.
